

SPEAKERR

We Promote You

We believe in the power of live presentations and personal connections, which is why we created *Speakerr*. We are not a speaker agency but the fastest-growing community of professional, independent, or amateur public speakers and trainers who'd like to be found by companies, event organizers and schools. We welcome anyone with expertise in any field who is open to speaking at conferences, events or schools as a paid or *pro bono* presenter.

HERE'S HOW SIMPLE IT WORKS!

1 CREATE YOUR PROFILE FOR FREE

Event organizers will find you based on the information you provide on your profile. Upload media content, videos of your speeches, add references to get the best out of it. Reach the Champion rank in profile completeness. Embed your speaker profile card on your website or conference page.

2 NO COMMISSION FEE

We charge no commission fee when an event organizer contacts you. Negotiate directly with event managers and keep everything - we won't charge you anything for the connection.

3 UPGRADE TO GET PREMIUM SERVICE

Get promoted & be more visible with premium speaker packages. Add more videos, and media content, showcase your knowledge and much more.

4 BE FOUND BY ORGANIZERS

Organizers can invite you to their events and they can send you direct messages through your profile. No commission fees charged.

5 APPLY TO EVENTS AND BE CONTACTED BY ORGANIZERS

You can be invited to speak by event organizers, and you can also browse the [Call for speakers](#) list and send a proposal yourself.

6 SHARE CONTENT WITH YOUR AUDIENCE

Share publicly, password-protected or with a lead-generation form any presentation, file or link with your audience. Ask for a testimonial directly on the sharing page.

THAT'S SPEAKERR IN A NUTSHELL.
